

# DHO Career Exploration Assignment

Use the internet to research the assigned health care career and make a one page report. You must use (2) two references minimum, and list them at the bottom of the page. Place your name with date at the top of the page above the name of the career. Then type a report on the career containing the following information:

Give the career name and abbreviation if it has one.

Give a description of the career including five (5) work duties and/or responsibilities of someone working in this career

Give the educational requirements for this career.

Give two to three possible places of employment for someone in this career.

What are the job benefits and pay range for a person working in this career?

Explain why you think this would be a good career to get into?

Note: Use a #12 font with a 1.5 line spacing.
